

First Seat Allotment for Under Graduate Law Courses (Punjab 85%)

The candidate will be solely responsible for wrong supply of information online or otherwise.

The candidate shall check his/her eligibility carefully for a particular institute.

The institution, in which the candidate is allocated seat, at the time of admissions, will check the eligibility of the candidate and his /her original documents.

The allocation of seat does not entitle automatically the candidate to get the admission to the course. This will be subject to checking of his/her original documents and his/her eligibility at the institution level in which he/she is allocated the seat.

A candidate can apply for only one reserved category as per the information furnished against main category or sub category (in case of general category candidate). No change of category will be entertained/permitted now.

The candidates highlighted in yellow shade have failed to submit choices for allocation in different colleges/institutions in the stipulated time period. Hence no seat has been allocated to them now.

The candidates who are offered seat in the most preferred institute of their choice will not be allowed to participate in the subsequent round of counseling.

Candidates must Report in Allotted Colleges/Institutes for Documents Verification, Depositing Fees and Seat Confirmation on 10.07.2018 & 11.07.2018 (9 am to 4 pm)
